Dear Students and Families,

Welcome to 21st Century Charter School @ Gary, a proud member of the GEO Foundation family of schools. If you are a returning student, welcome back! If you are new to our family, we are glad to have you!

Our schools are dedicated to providing the highest quality education to all students. While many schools say that, to us it means finding extraordinary teachers, equipping them with the latest technology and training them well on the techniques and curriculum that provide you with the best chances of success. We want to see you excel!

Thank you again for choosing our school to help you with your educational journey. We pledge to give you our best every day, and in return, we expect you to give us your best, too.

Have a wonderful school year!

Kevin D. Teasley, Founder and President
GEO Foundation and 21st Century Charter School @ Gary
Dear 21st Century Family,

It is our great pleasure and honor to lead the GEO family at 21st Century Charter School in Gary as principals of the K – 12 grades. We will continue to support the exemplary work that has been taking place and to seek higher achievement. 21st Century Charter practices a continuous improvement model that embraces rigorous, ongoing growth for students and staff. We will all be working together with children from kindergarten through 12th grade to give them the best education possible. Our goal for every student is to be prepared for college. Not only do we work hard to ensure that our students graduate prepared for college, but also have earned enough college credits to enter as a sophomore. Many of our students are graduating from high school with credits equaling two years of college, which enables them to continue to a four year college, the military, or a technical career.

The outstanding faculty and staff members are dedicated to working with you and your children. We hope that as you bring your children to school and school events you will be making connections with your child’s teacher. Your involvement in your child’s education is a clear sign to them of the value you place upon their education. Parents are the first and best teachers of their children.

There are many exciting learning experiences/activities planned for you and your children this year and we hope you will be involved in these activities as much as you can. Many of these experiences/activities are on the school’s website as well as Facebook and Twitter. The more you follow us on our social media platforms, the more informed you will be. If you ever have any questions about our activities, please call us so we can help you.

Educationally yours,

Ms. Nikki Dates K-3 Principal
Mr. Daniel Velasco 4-7 Principal

ATTENDANCE POLICY

A student’s attendance is essential to learning. Every student and parent has the responsibility to ensure that the student is attending class regularly in order to take full advantage of the educational opportunities offered by 21st Century Charter School at Gary. To support academic growth, the school has put in place the following attendance policies and procedures:

**Time Missed from School** – A student is considered to be absent when time away from school occurs. Half Day absences include the following: arriving after 10:00 AM, or leaving prior to 1:30 PM. Any students arriving at or after 11:00 AM will not be allowed to enter without a valid doctor’s note; this will count as an absence. Absences, tardies, or early release times may be considered excused or unexcused under the following conditions:

**Excused:** a student is considered to have an excused absence under the following conditions:

A parent calls the school’s attendance line, (219) 886-9339 Ext 3113, before 9:00AM on the day of the absence to report the nature of the absence for the following reasons:

1. Death in the immediate family
2. Medical, dental, court, and/or other required appointments. Statement from the doctor, dentist, etc., required upon return to school
3. Personal illness or injury
4. Major religious holiday

Early Dismissals: Require a parent/authorized pickup person to come to the front office and sign the student out on the day of the release. A valid, state issued ID is required for all parents/authorized individuals picking up a student. Our new system, Ident-A-Kid, requires all early dismissals to be documented, which requires taking a photo for all early dismissals.

**Unexcused:** Any absence, lateness, or early release that does not meet the above conditions shall be considered unexcused.

**Consequences:**

a. After three (3) days of cumulative absence due to an illness, a doctor’s statement or other verification will be required upon the student’s return to school.

b. After five (5) days of unexcused, cumulative absences, a conference between the student, the parent, and the principal assistir principal will be required to assess the reasons for absences and the impact the absences are having on the student’s academic work.

c. After seven (7) days of unexcused, cumulative absences, a certified letter will be sent to the parent/guardian indicating that additional absences could jeopardize the student’s enrollment at 21st Century Charter School at Gary.
d. At ten (10) days of unexcused, cumulative absences, the student will be considered a “habitual truant”, and will be recommended for expulsion and referred to the Lake County Superior Court Juvenile Division Special Services Truancy Program.

A student is expected to make up work within the same amount of time for which he/she was absent. Example: A student was absent for one day: a student has one day to make up work. If a student is absent two days, the student has two days to make up work, etc. The student is responsible for asking for his or her make up work. Tests and quizzes are expected to be taken upon return if the student only misses one day.

**TARDY POLICY**
All students are expected to arrive to school on time.

A tardy log will be kept in the front office. If a student is tardy to school, his/her parent/guardian must accompany him/her to the main office for sign-in.

If the child is dropped off without being signed in, the parent will be called back to school to sign the student in before the student is allowed to go to class. If the parent/guardian fails to return to sign the student in, the student will be sent to ISS. No exceptions.

Frequent tardies will result in disciplinary action. After ten (10) late arrivals/ early releases, the parent/guardian will be required to attend a mandatory meeting within 1 week of being notified with the Principal/Assistant Principal. If the parent does not attend the mandatory meeting, the parent will be referred to an outside agency.

In the high school, tardies during transition periods will not result in the parent/guardian being sent to Lake County Superior Court Juvenile Division Special Services Truancy Program. **Mandatory Saturday School** will be assigned to any student who is tardy to class five (5) or more times during one academic week.

**BULLYING**
We insist on a professional, safe, and respectful environment at 21st Century Charter School at Gary. Bullying of any kind, towards students, teachers, staff, or any other person, will absolutely NOT be tolerated.

What is Bullying?
"Bullying" (per IC 20-33-8-.2) means overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the intent to harass, ridicule,
humiliate, intimidate, or harm the other targeted student and create for the targeted student an objectively hostile school environment that:

(1) places the targeted student in reasonable fear of harm to the targeted student's person or property;
(2) has a substantially detrimental effect on the targeted student's physical or mental health;
(3) has the effect of substantially interfering with the targeted student's academic performance; or
(4) has the effect of substantially interfering with the targeted student's ability to participate in, or benefit from the services, activities, and privileges provided by the school.

Bullying fosters a climate of fear and disrespect that can seriously impair the physical and psychological health of its victims and creates conditions that negatively affect learning. Bullying includes unwanted, aggressive behavior that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. The imbalance of power involves the use of physical strength, or popularity, to access embarrassing information to control or harm others. Bullying can occur anywhere (in-school or outside of school) and at any time – both during and after school hours. Bullying can include physical bullying, verbal bullying, social/relational bullying, and electronic/written communication.

Physical bullying involves hurting a person’s body or possessions. It includes hitting/kicking/punching, spitting, tripping or pushing, taking or breaking someone’s things, and making mean or rude hand gestures.

Verbal bullying involves saying mean things. It can include teasing, name-calling, inappropriate sexual comments, taunting, or threatening to cause harm.

Social/relational bullying involves hurting someone’s reputation or relationships. Social bullying involves telling other children not to be friends with someone, leaving someone out on purpose, spreading rumors about someone, or embarrassing someone in public.

Electronic/written communication involves cyber-bullying, collective or group note writing, any bullying undertaken through the use of electronic devices (computer, cell phones).

Considerations in determining if the behavior meets the definition of bullying:

- The history between the individuals. Have there been past conflicts? Have these individuals had a dating relationship? (This may not be considered bullying)
- Power differential. Is there an imbalance of power? (Power imbalance is not limited to physical strength.)
- Repetition. Has this or a similar incident happened before? Is the individual worried that it may happen again?
- Are any of the individuals involved with a gang? (This may result in interventions different from bullying.)
Bullying can take many forms, including: slurs, rumors, jokes, innuendos, demeaning comments, drawing cartoons, pranks, gestures, physical attacks, threats, or any other oral, written, or physical actions that makes our school feel like an unsafe place. Bullying is prohibited within our building, on our buses, and to and from school events or field trips. **Bullying is also prohibited on all student social media sites, including, but not limited to Facebook, Twitter, Tumblr, Instagram, or any other social media site. Students who engage in bullying on social media sites outside of school are still subject to all disciplinary policies, up to and including suspension and expulsion.**

**CAFETERIA**

21st Century Charter School will provide quality breakfast and lunch for our students. The menus will be distributed on a monthly basis and posted in the lunch area. Students may bring their lunch to school if they choose to do so. Students will be required to scan or enter their student number when served a meal. Students may not order food from outside vendors during school time AND parents may not bring lunch to their students before or during their child’s lunch time.

**CELL PHONES/ELECTRONIC DEVICES**

No student may use a cell phone/electronic device, unless issued by the school, on school property during the hours of 7:50 AM-3:30 PM. During school hours, cell phones/electronic devices must be turned off (not on vibrate mode) and stored out of sight. Using a cell phone/electronic device may include, but not be limited to, text messaging, taking pictures, or watching videos, playing games, and listening to music. Students using or having cell phones/electronic devices visible during the school day shall have their cell phone/electronic device confiscated. No cell phones/electronic devices may be used by students at any time, including lunch, recess, or free periods. School personnel and/or administration are not responsible for the loss or damage of any cell phone/electronic device brought onto school property. In cases where a cell phone/electronic device is lost or stolen, school personnel will not investigate. Confiscated devices will be returned only to a parent or guardian. Additional cell phone/electronic information can be found in the **DISCIPLINE PHILOSOPHY** section of this handbook.

**NOTE:** Classroom telephones are to be used only with teacher permission and under direct teacher supervision.

Discipline is the demonstration of responsible behavior – academically, socially, physically, and ethically. Our goal is to establish a climate that is safe, secure, and conducive to learning. We believe the establishment of disciplinary parameters at school is central to a strong educational structure, and a safe and secure learning environment. Students are expected to behave in such a manner as to allow the learning process to proceed efficiently and effectively. As such, it is paramount that every student’s behavior shows proper consideration for each student and faculty member at 21CC. Behavior that inhibits the learning of others, or negatively affects the safety of any person, will not be tolerated. Our school believes in logical consequences for student actions, and has a policy for consequences and also student rewards. Potential offenses and corresponding outcomes are outlined in the following section.

When driving and parking on 21CC property, students agree to avail access to vehicles upon request of the administration or security. 21CC is not responsible for damage to vehicles or theft of the contents of vehicles.

1. **Eligibility** – Students classified as seniors will have first priority for available parking permits. Because of the limited parking facilities, parking permits will be issued to seniors on a first-come-first-served basis. Students classified as juniors will be eligible to receive a parking permit strictly on a lottery basis, with first priority given to those wishing to form a carpool. Students must be in good academic standing in order to purchase and keep a parking permit. Permits may be revoked if student is no longer in good academic standing.

2. **Vehicle Registration** – All vehicles that are driven to school by “permitted” students and parked in the school parking lot must be registered in the school office. Parking lot vehicle permits must be purchased at a cost of $10. Replacement permits may be purchased at a cost of $5. Replacements may be purchased if permit was lost, stolen, or revoked due to poor academic standing. To obtain a permit for any vehicle, students must present their current student ID, a valid driver’s license, vehicle registration, and proof of insurance. Students must also present a signed Parent Agreement form prior to receiving a permit. Students must park in the area designated by their permits.

Vehicles that are not properly registered or that do not display a current permit are subject to being towed at the owner’s expense.
Consequences for driving without a valid parking permit:

1st offense: Parent notification that the next offense will result in the vehicle being towed at the owner’s expense.

2nd and Subsequent Offenses: The vehicle will be towed at the owner’s expense.

3. Driving/Parking Violations – Students who drive to school are expected to exhibit safe driving habits at all times. Speeding or reckless driving on school property will not be tolerated. All posted signs and traffic patterns must be obeyed. Students driving inappropriately, recklessly, or unsafely are subject to suspension, and loss of driving privileges. Students are responsible for the contents of their vehicle at all times.

4. Penalties for Driving Violations – Violation of the driving or parking regulations will result in a range of consequences that spans from a student’s loss of driving privileges, to suspension. If a student uses a vehicle when violating a 21CC rule, his/her parking permit will be revoked. (Example: a student is truant and leaves school grounds in their vehicle.)

5. Arrival at School – Students who drive to school are to park in the designated area in the school parking lot, and exit their vehicles immediately upon arrival. All car doors must be locked. Absolutely no cruising or loitering is permitted in the parking lot at any time. No student is permitted in the parking lot at any time during the school day (8:00 AM – 3:30 PM) unless escorted by a staff member. Students observed in the school parking lot during school hours without permission may be considered truant and will be issued a consequence for skipping.

6. Departure from School – Upon dismissal from school, student drivers are to enter their vehicles and are not permitted to loiter in the parking lot.

7. Accidents – Any student who has been involved in an accident, or has sustained damage to his/her vehicle, must report the incident as soon as possible to 21CC security and/or administration.

EARLY COLLEGE PROGRAM (HIGH SCHOOL)

Our Early College program begins as early as 8th grade, with students able to take the college entrance exam, and students who pass may begin taking college credit courses at no cost to them as soon as their freshman year – or sooner! Students who remain in good academic and behavioral standing may earn as many as 60 college credits – and a full, accredited college Associates Degree before they even graduate from high school. These courses will fulfill both high school and college credits.
21st Century Charter School at Gary is committed to excellence in education. As part of that commitment, and in order to meet the State of Indiana’s requirement that students demonstrate College and Career Readiness during their high school years, effective for the graduating class of 2022 and encouraged for all classes graduating sooner, as part of the Core 40 (or higher) diploma requirements, all students must earn twenty-four (24) college credits from an accredited Indiana college or university, in accordance with established 21st Century Charter School at Gary policy for earning college credits.

This requirement may be waived only under the following reasons:

- Approved in a student’s Individual Education Plan (IEP)
- Recommended in writing by School Principal and approved by School Superintendent.

Students who participate in our Early College Program and are jointly enrolled in Ivy Tech will have their Ivy Tech grade posted on their 21st Century Charter School at Gary transcript based on the Ivy Tech grading scale. These are dual credit (high school and college) classes; therefore they are part of the permanent high school transcript. If a student fails a class at Ivy Tech, they will be responsible for the full cost of the class/textbook. Additionally, prior to being allowed to enroll in additional dual credit courses, any outstanding costs of the class/textbook must be paid in full. Outstanding balances may cause a student’s transcript, diploma, or other records to be withheld. However, the staff and administration at the school remain fully committed to every student’s success and, together with the student’s hard work and commitment will provide every resource possible to support each student’s success in the program.

Details concerning field trips will be shared with parents/guardians as the trips are planned. Permission slips will be issued for field trips away from the school when bus transportation is used. Any parent wishing to chaperone and accompany their child’s class on a field trip must have an approved background check on file at least one week prior to the field trip. Background check forms are available in the main office and are free of charge. They may be completed at any point during the year.
HEALTH, INJURY, AND ILLNESS REPORTING PROCEDURES
1. When a student becomes ill or injured at school he/she is to report to the teacher. The teacher will initiate a “Nurse Referral”.
2. It is school policy to send a student home with a temperature of 100° degrees or higher. The student should remain at home until his/her temperature has been below 100° for 24 hours without fever reducing medications.
3. The parent/guardian is responsible for transporting the student home or for making arrangements for transportation. If the student is to be released to someone other than the parent/guardian, the school must be notified by the parent/guardian. Another student may not transport a student who is ill or injured. The school nurse may not transport ill or injured students.
4. If the parent/guardian cannot be reached, persons who are listed on the enrollment/emergency card as “will assume care for my child if I cannot be reached” will be contacted in the order given (#1 first and #2 if necessary). Parent/guardian permission to release the student to anyone other than the parent/guardian must be on file or verbally obtained.
5. In the event that the student’s parent, guardian, or designated temporary caretaker cannot be contacted, the school nurse or designee will use his/her best judgment to determine the seriousness of the student’s condition. If the student’s condition is not deemed too serious, he/she will be transported home by the usual means.
6. If the school nurse or designee determines that the student’s condition appears to require immediate medical attention, Emergency Medical Services will be requested, and their recommendations will be followed.
7. 21st Century Charter School at Gary does not assume financial responsibility for Emergency Medical Services, emergency transportation, or medical services rendered.

The law further states
that no child may remain in school beyond the date of his/her enrollment without minimum required immunizations.

**MEDICATION POLICY**

When it is necessary for a student to take medication during the school day, Indiana State Code must be followed. Both prescription and non-prescription medication must be brought to the school clinic and kept there for the school nurse or designee to dispense. Medication may be given or dispensed only by a school administrator, school nurse, teacher, or other school employee designated by the school administrator.

It is the parent/guardian’s responsibility to administer all morning and late afternoon prescription medications for their student. The school will only administer medications that are medically necessary that a parent is unable to give during school hours and will only do so with written permission from both the student’s doctor and parent/guardian. Forms are available in the front office.

1. The consent of the parent shall be valid only for the period specified on the consent form, and in no case longer than the current school year. The parent note should include the time schedule for administration of medication. If the medication is to be terminated prior to the date on the prescription, the written consent of the parent is required. The written consent of the parent and the written order of the physician shall be kept on file.

2. Medication must be in the original pharmacy container with the pharmacy label bearing: date, student’s name, name of medication and strength, directions for administering (frequency and amount).

3. In no instance may the physician’s-ordered medication dosage or frequency of administration for prescription medication be altered.

4. In no instance may the student carry inhaler(s) on him/herself without a Student Asthma Action Card filed in the clinic and signed by parent and physician, giving permission for the student to carry an inhaler on his or her person.

1. The school must have written permission from parent and doctor including: date, student’s name, name of medication, amount to be given, frequency of administration and time schedule and date to discontinue.

2. The medicine must be in original container bearing: name of medication, directions for use, recommended dosage and manufacturer’s expiration date (if appropriate).

3. Medication container must be labeled with student’s name in permanent marker.

4. In NO INSTANCE may the manufacturer’s recommended dosage or frequency of administration for non-prescription medications be exceeded, unless a written note from the physician, stating that the medication may be given, is presented with the medication.
MONEY
It is strongly suggested that students not be allowed to carry significant amounts of money to school unless there is a specific purpose for which it is to be used. In cases where money is lost or stolen, school personnel will not investigate.

PARENT RIGHTS
Parents have the right to see all records that pertain to their individual student (under the age of 18). If you desire to view your child’s records, contact the Principal. Student records may not leave the office area. You will be given a private area to view the records, and we are happy to make copies for you. By law, student records must be kept confidential and viewed only by school personnel dealing with the child directly. A student’s educational record may not be shared publicly in any way without expressed written permission of the parent or guardian. If you wish to review records, please make an appointment with the front office.

1. Non-Custodial Parent Rights - Unless a court order is on file preventing a parent from visiting or receiving information concerning a child, non-custodial parents have the right to visit children, view records, and take part in communications regarding the child. Please contact the Principal concerning any problems with custodial and non-custodial parents that would affect our school.

2. Special Education - Parents of students identified with disabilities have certain legal rights. Please contact the office for a copy of those rights and educational safeguards.

PARENT-TEACHER CONFERENCES
Achieving maximum progress for your child necessitates a close line of communication and understanding between teacher and parent. Parent-teacher conferences are the best means of accomplishing this goal. The teacher or the parent can initiate such a conference by calling for an appointment. Conferences can be held in person or by phone. The dates for regularly scheduled conferences are noted on the school calendar. Parents are required to attend.

If, as a parent, you have a concern about something that has happened at school, or if you feel there is some kind of situation that is causing your child to perform below par, please contact the proper person at school. Please contact the child’s teacher first. If the problem is not resolved, then contact the Principal. We welcome the opportunity to talk with you about any of your concerns.

PARENT-TEACHER ORGANIZATION – (PAWSS)
All parents, foster parents, guardians, and teachers are encouraged to take an active part in school activities. One way to do so is to join the Parents At Work for Student Success (PAWSS) organization and attend its meetings and special programs. Meetings will be scheduled regularly throughout the year, and programs are planned to offer entertainment, enlightenment, fundraising experiences and a chance for parents to get to know the school personnel and other parents and to provide volunteer service to the school.
PARENT VISITATION & PARTICIPATION

We welcome parents/guardians in our school. In order to prevent the disruption of classroom learning please schedule visits to your child’s classroom by calling the office and scheduling the visit at least two school days in advance. Prior to scheduling, please ensure that a recent background check is on file; otherwise, your request to visit classrooms will be denied. When checking in, the front office will issue a visitor’s badge through our new Ident-A-Kid system, which requires a valid, state issued ID. Visitors/Parents must sign out upon leaving the building.

Parents who would like to conference with their child’s teacher should make a scheduled appointment.

Families, community organizations, businesses, and other groups are encouraged to apply to volunteer at 21st Century Charter School. 1. **Acceptable Use Policy** - Regardless of the circumstance, each student is expected to be responsible and honest, use common sense, and practice proper etiquette at all times. Millions of dollars have been invested in hardware and software in schools to prepare students for today and tomorrow’s world. It is important that students help protect the investment. In order to comply, the following rules are in effect:
